Protect your motor vehicle

Motor vehicle insurance covers you against accidental damage to or loss of your motor vehicle, plus your liability for damage that your vehicle may do to someone else's property.

You can insure your vehicles comprehensively or you may choose Third Party or Third Party Fire and Theft cover for a reduced premium.

If you comprehensively insure your vehicle and suffer loss or damage covered by your policy, you may receive the following benefits:

- Cover to repair or replace your vehicle up to the market value at the time of the loss
- Cover for windscreen breakage with no excess and without loss of your no claims discount (where this is the only damage)
- Emergency costs following an accident, to a maximum of \$500.

Alternatively, with both Third Party or Third Party Fire and Theft, you can be covered for up to \$3,000 for damage to your vehicle, or \$1,000 in the case of a motorcycle, caused by another identified person who is uninsured.

Protect your boat

Boat insurance provides cover for loss or damage to your boat covered by the policy, or a payment up to the market value, but no more than the sum insured nominated by you.

Some key features include:

- Emergency costs – if following an accident covered by the policy, you're stranded at sea, we can help with your rescue costs, salvage and associated costs
- Cover for boat equipment temporarily removed for repair or storage.

AMP Home Plan policies provide liability cover relevant to the types of cover you select.
